Space Scavenger Hunt

Find each thing and check the box. Work in teams of two!

- [ ] a 'moon rock' (any rock)
- [ ] something round like a planet
- [ ] a star shape
- [ ] something silver
- [ ] a flashlight
- [ ] something that glows
- [ ] an 'alien' toy
- [ ] a 'rocket' (anything tall)
- [ ] something black like space
- [ ] a helmet or hat

Grown-up tips

- Before the party, hide a few of the trickier items (an 'egg', a 'treasure') around one room or the yard.
- Little ones: pair them with a big kid and read the list out loud. Show the pictures as you go.
- Everyone who finishes gets a favor bag, so nobody loses, and fastest team picks the next game!

Party Bingo

Do each square during the party and color it in. Three in a row wins a sticker!

Card A

Spot something round	Eat a Moon Rock	Sing Happy Birthday
Make a rocket noise	FREE	Find a star
Name a planet	Count down 10 to 1	Do a zero-gravity jump

Card B

Spot something round	Eat a Moon Rock	Do a zero-gravity jump
Name a planet	FREE	Count down 10 to 1
Make a rocket noise	Find something silver	Float like an astronaut

How to play

- Hand each guest a card and a crayon. Call out the squares one at a time, or let kids find them on their own.
- Print this page twice: cards A and B are different, so neighbours don't match.
- Squares with food or noise are good ones to save for snack time!

Party Coloring Placemat

Keep little hands busy while everyone arrives.

HAPPY BIRTHDAY
