Room Parent Planner

Everything to check with the teacher, plus a simple countdown.

Ask the teacher first

- Date, start time and how long we have
- Number of students (anyone not celebrating?)
- Food rules: store-bought only? Nut-free classroom?
- Known allergies or dietary needs
- Room setup: tables, speaker, clean-up spot
- How many parent helpers are allowed?

Countdown

1	2–3 weeks before	Confirm details with the teacher. Send the sign-up sheet (next page) to families.
2	1 week before	Remind volunteers. Print exchange cards and bingo cards (one per child). Buy plates, napkins and prizes.
3	2 days before	Cut out cards, pack a party bin: scissors, tape, wipes, trash bags, crayons, a speaker.
4	Party day	Arrive 15 minutes early. Follow the party plan, take photos (check the school photo policy) and leave the room tidy!

Inclusive-party tips

- Pick a theme that isn't tied to one holiday (e.g. 'Winter Fun' or 'Fall Festival') if the class mixes traditions.
- Offer non-food treats (stickers, pencils, bookmarks) so every child can take part.
- Plan a quiet corner activity (coloring, puzzles) for kids who find parties overwhelming.

Volunteer & Supplies Sign-Up

Send home or pass around at pick-up. Thank you for helping!

How to play

- Each child gets one card (8 different cards across the two pages, print as many sets as you need).
- Call a picture, show the caller card, and everyone with it covers that square.
- First to get three in a row shouts BINGO! Keep playing until everyone has a line, so every child wins once.

No-Prep Party Games

Six classroom-tested classics. No supplies beyond music and a balloon.

1 Freeze Dance

Play music; everyone dances. When it stops, FREEZE! Wobblers do 3 jumping jacks and rejoin (nobody is out).

2 Four Corners

Number the corners 1–4. Kids tiptoe to a corner while someone counts to 10 with eyes closed and calls a number.

3 Pass the Parcel

Wrap a small prize in layers with a joke or sticker in each. Pass while music plays; unwrap one layer when it stops.

4 Simon Says

Classic! Add party moves: 'Simon says blow out the candles', 'Simon says pass a pretend cake'.

5 Telephone

Whisper a silly party sentence around the circle and compare the start and end. Giggles guaranteed.

6 Balloon Keep-Up

Small groups keep one balloon in the air. Count the taps together. Add a 2nd balloon for a challenge.

Allergy-Friendly Food Cards

Fold on the dashed line. Tick what each dish is free from so every kid can choose safely.
