Make It: Paper Plate Planet

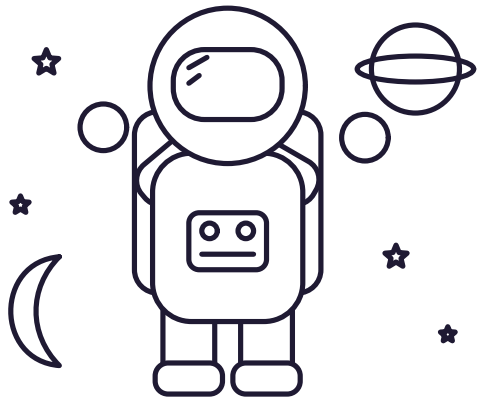

A quick craft with things from around the house. A grown-up helps with cutting.

You'll need: paper, scissors, glue or tape, crayons, plus anything in the steps.

1. Paint or color a paper plate in swirly planet colors.
2. Cut a big ring from card (grown-up helps).
3. Cut a slit in the plate and slide the ring through.
4. Draw craters and give your planet a name.
5. Hang it from the ceiling with string.

Draw (or tape a photo of) your craft

Color me while the glue dries!
