Bonus: count the stars

Color the stars, then write how many there are in the box.

Did You Know?

A grown-up can read these aloud. Which one surprised you?

DINOSAURS

Scientists who study fossils are called paleontologists.

DINOSAURS

Dinosaurs hatched from eggs, just like birds and turtles do.

DINOSAURS

Many dinosaurs had feathers, even some that couldn't fly.

DINOSAURS

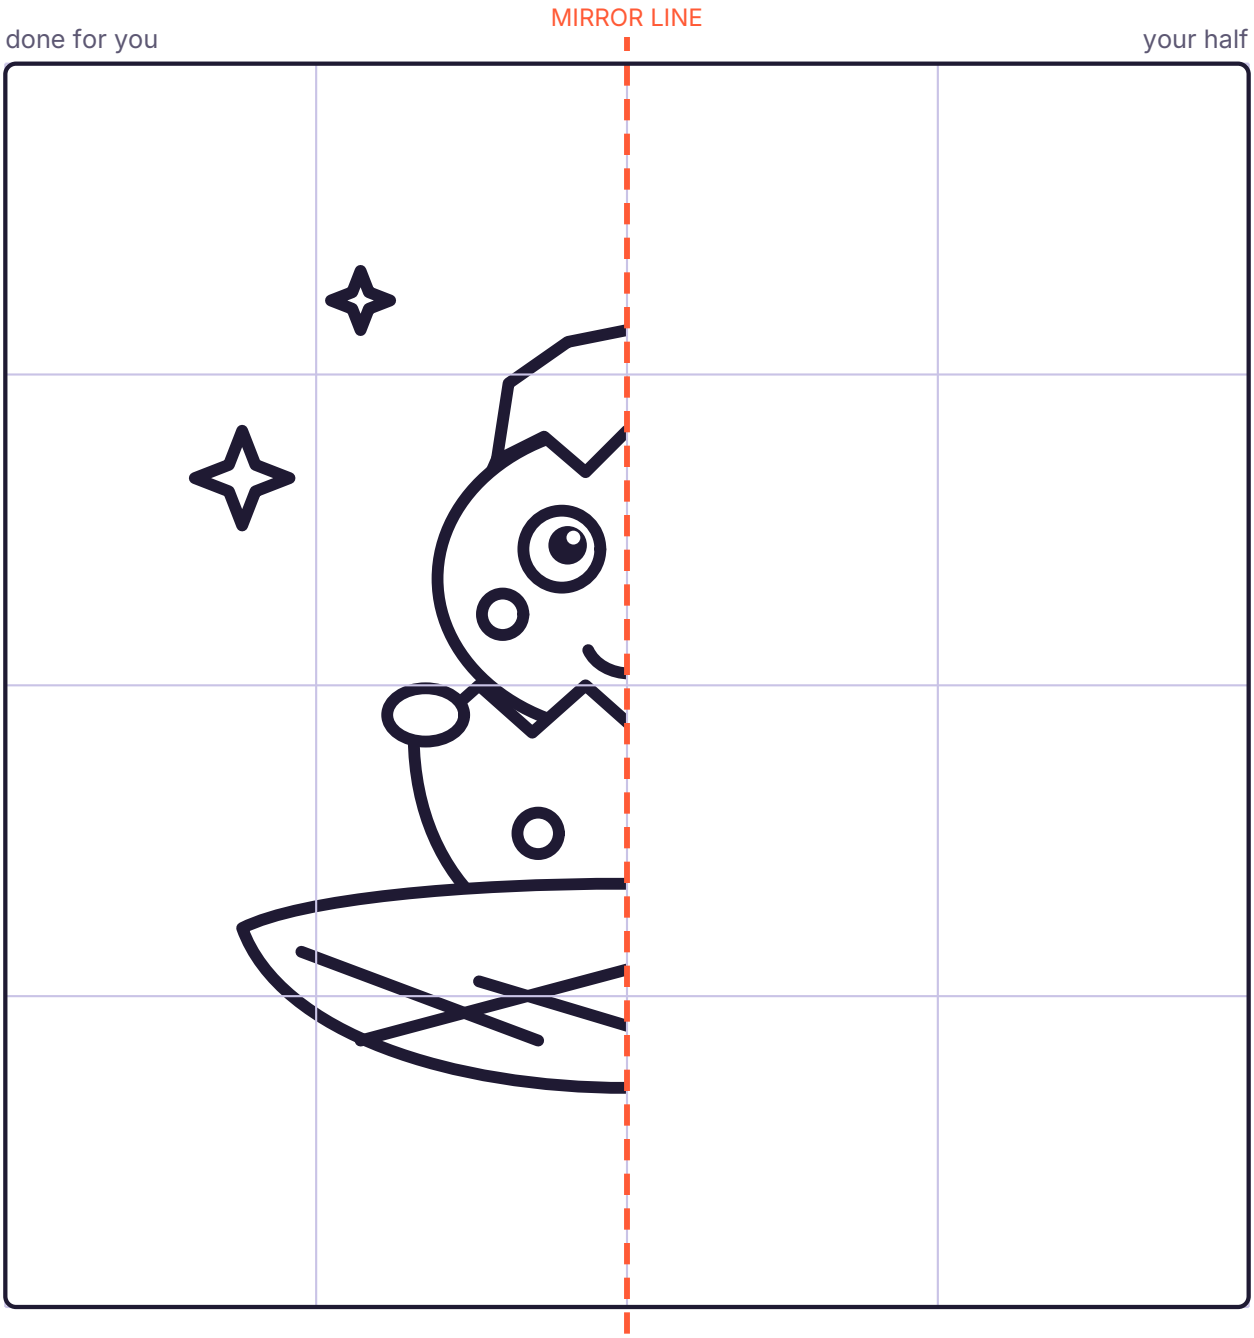

T. rex lived closer in time to us than to Stegosaurus!

Draw your favorite fact!

Finish the Other Half

Drawing page for Maya · ages 3-5

Half of the picture is done. Draw the missing half to match.

1. Look at one side of the picture.
2. Draw the same lines on the empty side.
3. Color both halves!

Make It: Dino Footprint Stamps

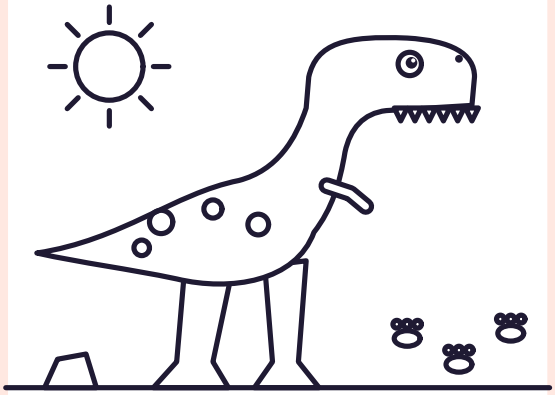

A quick craft with things from around the house. A grown-up helps with cutting.

You'll need: paper, scissors, glue or tape, crayons, plus anything in the steps.

1. Cut a kitchen sponge into a three-toed footprint (grown-up helps).
2. Dip it lightly in paint.
3. Stamp a trail of footprints across a big sheet of paper.
4. Count the steps your dinosaur took.
5. Draw where the dinosaur is going!

Draw (or tape a photo of) your craft

Color me while the glue dries!

December Challenge

Hunt for 'fossils': hide 10 small toys in a sandbox or rice bin and dig them up.

TALK ABOUT IT

- Which fact surprised you the most? Why?
- If a dinosaur came to visit, what would you do together?
- Which page was the trickiest? What helped you keep going?
- What would you like to make again next month?

Hobby pages and the challenge have no wrong answers. Celebrate effort and ask your child to explain their thinking.
